

Bover

Bol S/4L

Technische Informationen

Land der Herstellung	 Spanien
Hersteller	Bover
Designer	Estudi Manel Molina
Entwurfjahr	2022
Material	Aluminium, Messing, Edelstahl, Kunststoff
Farbe	schwarz
Kabellänge	210 cm
Höheneinstellung	höhenstellbar
Dimmbarkeit	Phasenabschnitt
Leistung in Watt	4 x 12 W
LED #	inklusive
Ra	90
Lichtstrom in lm	6720
Farbtemperatur in Kelvin	2.700 extra warmweiß
Schutzart	IP20
Lieferumfang	LED
Leuchtmittelwechsel:	beim Hersteller / im Werk
Maße	H 56 cm B 66 cm L 83 cm

Beschreibung

Inspired by classic Maria-Theresia chandeliers, the Bover Bol light fixture is a large, contemporary chandelier whose charm lies in its transparent body and the upper and lower light paths, which are emitted from its shades. In addition, other applications such as floor lamps, wall lamps or table lamps are available. Light, floating structures with a discreet, stylish lighting effect in the dark. The central structure of the Bover Bol lights consists of various stems and shade bodies, which can be connected to a central stem. This enables the design of various figures, both horizontally and vertically, even in continuous sequences.
